A woman on the radio talked about revolution
when it's already passed her by
Bob Dylan didn't have this to sing about you
you know it feels good to be alive

[G G G/F# Em]
I was alive and I waited, waited
I was alive and I waited for this

Right here, right now
there is no other place I want to be
Right here, right now
watching the world wake up from history

I saw the decade in, when it seemed
the world could change at the blink of an eye
And if anything
then there's your sign... of the times

I was alive and I waited, waited
I was alive and I waited for this
Right here, right now

I was alive and I waited, waited
I was alive and I waited for this
Right here, right now
there is no other place I want to be
Right here, right now
watching the world wake up from history

Right here, right now
there is no other place I want to be
Right here, right now
watching the world wake up from history

Right here, right now
there is no other place I want to be
Right here, right now
watching the world wake up...
